MAHV-elous Award for Outstanding Volunteers

Do you know a MAHV-elous volunteer?

Take a few minutes to notice the volunteers associated with your healthcare facility who remain steadfast in their service or have gone above and beyond. They are the unsung champions of volunteering!

MAHV hears many stories of outstanding volunteers, who support staff, patients and families in compassionate and creative ways. We would like to celebrate and acknowledge these dedicated people through our **MAHV-elous Award for Outstanding Volunteers**.

Recipients will receive a certificate of appreciation, along with an Outstanding Volunteer lapel pin. Volunteers submitted for recognition will be highlighted on the MAHV website.

Nominate any volunteer who demonstrates:

- Innovation
 - New, unique or re-imagined fundraiser; a creative way to recognize or support the staff, patients and families at your facility.
- Service above and beyond
 - Extra help or leadership on a project; saw and met a specific need of the organization; committed to serve in multiple areas or roles.
- Steadfast service
 - Always faithful in service. A predictable 'yes' whenever they're called. Doesn't seek the limelight but is truly a backbone of your team.

Who can nominate? Volunteer coordinators, department managers, other volunteers
